Safety Health Environmental Policy	Date of Issue: 08/01/20	Revision B

atg airports Limited considers effective Safety, Health and Environmental management to be of prime importance to its business and is committed to continual improvement in performance in all these areas. It is our policy to ensure so far as is reasonably practicable, the health, safety and welfare of our employees, and anyone else who may be affected by atg airports business activities, such as Sub-Contractors, Visitors and members of the public.

atg airports Limited will:

- Comply with all legal, other requirements and atg policies
- Create and maintain a positive safety, health and environmental culture based of positive behaviours, interventions, actions, consultation and engagement with stakeholders
- Pursue high standards of safety, health and environmental management and ensure that all business decisions take a proper account of these
- Reduce the impact of significant environmental aspects
- Develop, implement & maintain procedures that aim to provide:
 - A Zero Harm Culture
 - Suitable arrangements for the responsibility, procurement, selection, use, handling, storage and transport of articles and substances
 - Provision of information, instruction, training and supervision
 - Safe means of access and egress, with safe systems of work
 - Safe working environment
 - Prevents and controls pollution, including emissions to water, land and air, noise pollution and other pollutant nuisance
 - Effective management and minimisation of waste
 - Appropriate occupational health advice and welfare facilities
 - Fire Safety and Safe Evacuation Procedures
 - Clear Hazardous substance identification, assessment and safe storage methods
- Set clear objectives and targets and develop/review performance by monitoring the following
 - Accident and incident performance
 - Attainment of annual objectives
 - Results of audits and reviews
 - Training achievements

The Managing Director has overall responsibility for Health & Safety and implementing this policy. It is the responsibility of all employees to work under their collective and individual responsibilities as set out in the policy documents.
